DON'T LOSE IT, LABEL IT!

The Whistler Children's Centre has teamed up with Lovable Labels to provide parents with an opportunity to purchase quality labels and support the centre.

Lovable Labels is a fun and unique way to identify all your children's belongings with personalized sticker labels, specially designed shoe labels, clothing labels, and bag tags. Each label is personalized with a name (initials or anything you choose) and you can select a cute icon that helps even pre-readers identify their own belongings. All labels are Canadian made and designed for durability! Perfect for school, daycare, camp and travel.

20% of every sale will go to support

The Whistler Children's Centre

Orders can be placed online at:
