Did you know?

- Of the billions of disposable bottles purchased every year, more than 85% end up in landfills, and each takes about 1,000 years to biodegrade. Make a difference by choosing reusable **Tupperware® Sports Bottles** or **Tumblers** and, you'll reduce waste while saving what you'd spend on bottled water.
- Microwave reheating consumes up to 50% less energy than conventional oven reheating. Reduce your energy bill and avoid wasteful disposable containers with the **CrystalWave® 4¼-cup/1 L Container** or **CrystalWave® Soup Mug**—smart, sustainable solutions for eating healthy on the go.
- **FridgeSmart® Containers'** innovative venting system helps keep fruits and vegetables fresher longer by allowing them to breathe—reducing food waste and saving you money.
- Enjoy a healthy, eco-friendly, financially smart lifestyle by preparing foods at home and taking them on the go in reusable **Tupperware® Lunch Bag Solutions**.
